

Summer Ministry in Chicago

The summer internship is high-paced with long work hours and project-based tasks. These tasks include: CYIA (Christian Youth In Action) prep/recruitment, helping to set up CYIA in person, making 5-Day Club kits, and participating in CYIA (our 10 day overnight training program for teens). In addition, the most extensive amount of time will be spent transporting, leading, and teaching 5-Day clubs throughout the summer all over Cook and DuPage county . If you do not have a vehicle, one will be provided for you for ministry purposes.

OUR VISION

This internship is for you to be informed about CEF in every area, to be equipped for ministry, and to have ministry experience. At CEF of Chicago we want you to grow in your ability to share the Gospel with others and in your personal relationship with Christ, whether you feel called into CEF full-time staff or choose to pursue ministry as a career. Being called into ministry will also help keep the passion in your heart towards pursuing Christ. Our goal is for you to go through the internship and come out with new skills and a stronger relationship with God.

GAIN & DEVELOP...

- Work with others on a team to complete the task at hand with a Christ-like attitude
- Growth in servant leadership skills
- Work first hand on the day-to-day life of a full-time missionary,
- A passion for the hearts of children & Youth of Chicago
